# NRY - ON / OFF

LONG AWAITED FULL LENGTH ALBUM DEBUT BY  
DORTMUND'S INCREDIBLE NEW ALTERNATIVE ROCKERS

**NRY - ON / OFF**

**ALBUM / Download**

**VÖ: 20. Oktober 2023**

Dortmund's latest rock/punk output NRY doesn't care about fitting into any genre. They just want to play real good music; songs, transporting more than just punky anger. Songs, also being more than just loud; songs having a wide spectrum of dynamics.

Of course you'll find some punky anger in their sound, hammering beats, crying guitars, a humming bass and lyrics telling bitter-sweet stories about personal situations or society relevant themes as well. And there is the certainty, that there will be something more. Individual NRY specials.

The full length debut album „ON/OFF“, that has been released on October, 20th by NCR Records / DIY or DIE Records, is flanked by the two in august and september pre-released singles

„Someday“ and „Love of a Vampire“, songs between hope and self-destruction and a clear political statement to the russian invasion into the Ukraine. Anyway, the album punches right into ones face.
